

helicentre Blackpool

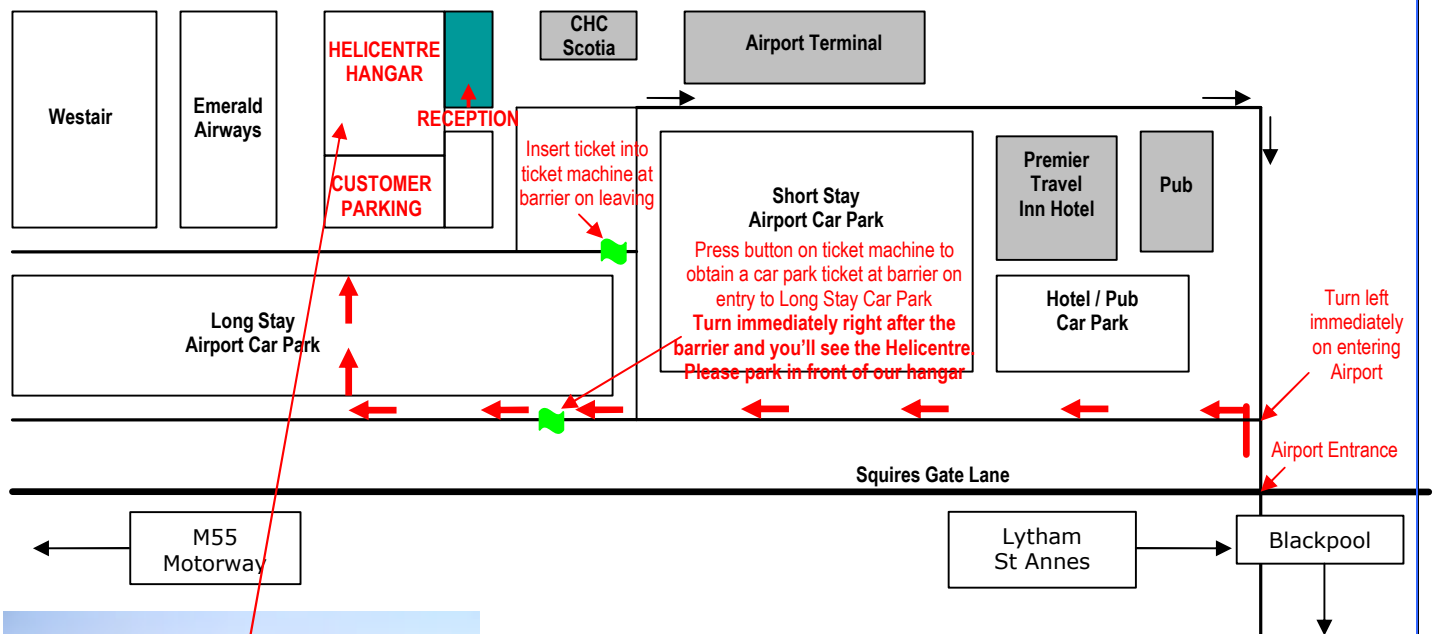

fly with the best – the UK's leading helicopter company

how to find us

located in the heart of North West England, on the beautiful Lancashire coastline, close to the Lake District

To find your way to **helicentre Blackpool**, come to the end of the M55 motorway. At the roundabout bear left and follow signs for Lytham St Anne's. This is the link road for Blackpool International Airport. Follow the signs for **Blackpool Airport**. When you see the **Airport** on your left, turn left at the traffic lights into the **Airport Grounds**. Follow the one way system to the left and follow signs for the Long Stay Car Park. Keep going straight ahead, keeping the airport perimeter fence to your left at all times. When you arrive at the entry to the Long Stay Car Park please press the button on the ticket machine to obtain a car park ticket at the barrier. Turn immediately left after the barrier and you'll see the Helicentre in front of you. Please park in our car park, which is situated immediately in front of our large blue hangar. Our offices are to the right of our hangar.

Limited Customer Parking is available in front of our hangar. Parking is free of charge for one car per customer, for the duration of your visit to **helicentre Blackpool**. Additional cars will be charged a nominal fee of £2 per car (payable on the day in cash). Car registration numbers will be taken. Please ensure that you have your ticket validated at reception and that you vacate the car park immediately upon leaving **Helicentre Blackpool**. Security clamping is in operation at all times by Blackpool Airport.

seven days a week throughout the year
